Commander's Message:

I attended the Department Commander's Dinner and the next morning I had a chance to speak with him in depth about our concerns with the American Legion. One issue was about membership and how to move forward in the future. If we are going to attract younger members, one of his key points was the methods we are using to bring them into our Posts. Young People today use Facebook and we need to have a presence by as many Posts as possible on Facebook & Twitter. We do a lot of good things but we are not getting the information where it belongs.

If you wish to see your current membership, please visit our website. Sue & Jake do a pretty good job keeping the site up to date.

The paperwork for documentation of memorials is out and it is a tall order. Copies will be available at our County meetings. There is great value in going to our meetings. We pass out a lot of Information regarding what is going on, we have many members with expertise in different areas of the Legion at the meetings. We make motions that affect our Posts and the County. Meeting schedule is listed in the newsletter and website.

If you are interested in running for a Vice Commanders position, please get your Post endorsement letter into the County Adjutant. These can be rewarding positions!

Our County meeting at Newcomb-Long went well the dinner was awesome and their new Commander Pete Muscarella has a lot of potential in the Legion!

On March 25th at 11 AM, the Iroquois Post 1587 will be celebrating the opening of their brand-new Post building. This is something that I have been waiting for and was concerned it might not happen under my watch. They have a fantastic building, please, if you are able to, join us.

I hope to see many of You at Hill Day! Thanks for your service!!!

Membership – VC Suzanne Quirk

It is all of your hard work that allows me to give a report that reflects success and optimism. I was also filled with pride as I attended Department Commander visit dinners and Eighth District meetings and accepted compliments and recognition for your diligent efforts achieving or surpassing membership goals. At the dinner honoring the Department Commander I awarded Department Commander pins to those who recruited new members. Six were given to Martin J. O'Connor of Matthew Glab Post #1477 and one was given to James Bojanowski, our Eighth District Commander. A Certificate of Achievement from Department was also given to Tehan Post #1449 for attaining a membership total that was 105% of goal as of December 31, 2016, At this time of year membership growth becomes more difficult, but at the 2/11 Eighth District Meeting, the 2/7 data from Department reflected that Erie County achieved their goal and played a supporting role in Eighth District and Department achieving theirs. Erie County surpassed their goal of 85% with 86.67%. 19 posts have reached 85% goal or higher. All posts are at 70% of goal or higher except two. In Department, Eighth District ranks 2nd with 86.44% of goal. In the Eighth District Erie County ranks 4th out of nine counties. In Department Erie County ranks 23rd out of 63 counties. Department achieved 86.68% of goal and is in 19th place nationally and 6th place in the Northeast Region. Great numbers!

Just after the creation of this report, an update for membership status was posted on 2/22. Erie County is at 88.5% of goal. Our next target is 90% by 3/6. We are only 1 ½ % points away. Based on past performance we should be able to achieve that goal. I noted a sizeable increase of 13 new members to 177. Submit for the Dept. Commander's new member recruitment pin. Once again, I am so grateful that you have made it possible for me to give a positive report. I look forward to making a similar report next month.

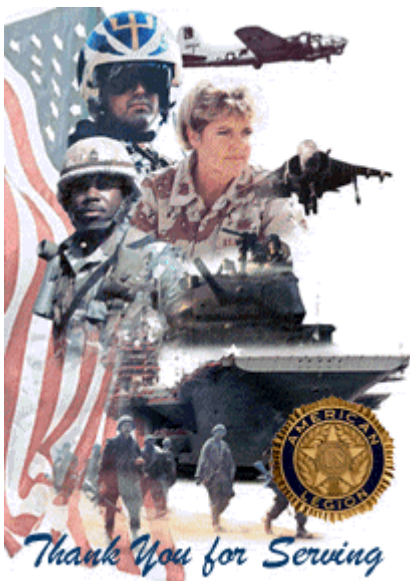

Erie County Veteran's Museum – Peter Hurd

The Veteran's Museum of Erie County and the Central Erie County Library needs you and your Posts help! The central library is in the process of putting together an exhibit honoring the 100-year anniversary of the end of World War I. The exhibit will open this November in conjunction with Veteran's Day and run for approximately 15 months. We need memorabilia and artifacts from World War I.

I have seen some of these on display at Posts throughout the County, and many families have items such as letters, uniforms, photos, and souvenirs brought back of their experiences. We need your help in finding these articles. All donated or lent items to the display and/or future museum will be properly insured and properly categorized and handled in accordance with museum protocol. Please call Pete Hurd at 716-481-7215 for more information or pick up. We will gather everything the next few months to begin organizing the display which will be at the downtown Buffalo and Erie County Library. We are also in the planning stages for a second exhibit with photos from World War II. They must be taken by a service member who resided or is residing in Erie County. Again, please contact me for information or pick up. If you wish to get involved with the museum, give me a call!

If anyone would like any or have any to turn in contact me as stated above. I will accept calendars for as long as it is 2017. Anyone wishing to still buy calendar(s) still have over 300 chances to win! Thank you to all who have bought/helped us sell the calendars as we are ahead of last year's total!
